FILING REQUEST FOR USE OF FACILITY

All Facility Use Agreement Applications and, if needed, **Event Request Forms must be submitted at least two (2) weeks prior to the event date.** Before final approval of the request, District Administration will review the appropriateness of the venue for the event requested and the availability of the facility.

Use of school facilities by all entities should be coordinated through the campus where the facility is located. All athletic facilities will also be coordinated through the Athletic Department. Requests for the use of the Performing Arts Center (PAC) will also be coordinated through ROISD Fine Arts Director.

AVAILABILITY

School buildings and other facilities shall be made available to groups that wish to conduct activities which promote, stimulate and foster the interest of students and the community, as well as activities which promote the efficiency of the school district, so long as such activities do not conflict with the school program. Programs serving District students will be given priority for use. The Superintendent or designee shall have authority to cancel a scheduled non-school use event if an unexpected conflict arises with a District activity. The Superintendent or designee reserves the authority to allow or reject any application for the use of ROISD facilities.

FACILITY USE GUIDELINES

The following guidelines shall pertain to all groups who desire to use schools and/or other facilities in accordance with this policy.

1) COMPLIANCE WITH LAWS, RULES, REGULATIONS AND POLICIES

No school facility shall be used by any group or individual who is not in compliance with the requirements of all federal or state statutes, regulations and rules prohibiting discrimination on the basis of race, religion, color, sex, national origin, handicapping conditions, age or other classification. State law prohibits the use of alcohol on school property. All laws (federal, state, local) and Red Oak ISD policies are in effect 24 hours per day, including the times a facility is rented.

Contraband shall include, but not be limited to drugs, drug paraphernalia, weapons, and/or alcohol. District police officers, or any other law enforcement officer, shall enforce the law and arrest individuals for the violation of any law including but not limited to possession or consumption of alcohol on school property, drug law violations, weapon law violations, disruptions, trespassing, and the violation of any traffic law.

The District's "Tobacco Free Policy" prohibits the use of tobacco in ANY form including e-cigarette, vapes, or dip/chewing tobacco, in or on any District property or any location leased by the District where a user group is being held. The policy includes, but is not limited to, all buildings, vehicles, property (outdoor or indoor), and all staff, students, parents, visitors, and patrons. (Education Code 38.006).

The District prohibits the unlawful use, possession, or display of any firearm, knife, club, or weapon, as defined in FNCG, on all District property at all times. Exceptions: No violation occurs when (1) Texas handgun license holder stores a handgun or other firearm in a locked vehicle out of plain sight on District property; (2) the use, possession, or display of an otherwise prohibited weapon takes place as part of a District-approved activity supervised by proper authorities.

2) VIOLATION OF LAWS, RULES, REGULATIONS AND POLICIES

Any misrepresentation by any organization and/or individual, any abuse of any District property, any violation of state, local law or federal and/or any violation of any District policy, rule or regulation may result in: (1) the immediate termination of the agreement; (2) the requirement to immediately vacate the premises; and/or (3) the denial of that organization's and/or individual's request for future use of the premises.

3) YOUTH GROUPS

Youth groups using District facilities and seeking Classification II use (discounted fee), unless otherwise specified, must be composed of at least 75% of students from the District. A student verification list/roster must be turned in with each request for lease of facilities.

4) LONG-TERM LEASES

Leases for longer than six (6) consecutive months will be prohibited.

5) RESTRICTED USE OF CERTAIN AREAS

Certain campus/district areas such as laboratories, shops, kitchens and designated teaching areas are not available for public use. Goodloe Stadium and Red Oak High School turf practice fields are not available for non-District public or private use. Signage that is placed on school property to advertise an event must be placed and removed on the same day of the event.

6) RESTRICTED USE DATES

Facilities cannot be reserved for leasing until September of each year to allow campus staff the opportunity to set campus schedules. There will be no leasing during school holidays (including holiday weekends) or summer months when school is not in session. Athletic facilities (gyms, fields, and courts) will not be available during season play. In the event the District must close campuses for any reason (i.e. bad weather, emergency repairs, etc.), events will be cancelled. Any prepaid fees will be reimbursed.

7) ACCESS TO FACILITY KEYS

Only authorized employees of Red Oak ISD shall be permitted to have keys to District facilities.

8) CUSTODIAL, SECURITY, TECHNOLOGY AND OTHER SERVICES

Base fees charged to paying groups shall include only the use of the facility. Any specific service required shall be paid for in addition to the base fee. The rental of the facility may require the service of ROISD administration, technology or security personnel in addition to custodial service. The District shall furnish the necessary staff to open and close the property. If the building is being rented or used during hours when District staff members are normally on duty and it is determined by the Superintendent or designee that no additional cleanup is warranted, there will be no charge for this service. However, if the building is being rented or used for hours during which District staff members are not normally on duty, the Superintendent or designee shall assign the number of staff necessary to maintain the facility.

The District may not be able to accommodate a rental request if staff cannot be secured for the event.

9) USE AGREEMENT

Organizations or individuals using District facilities shall sign a Hold Harmless & Indemnity Agreement that releases ROISD from liability for personal injury and/or damages to personal property. Damages to District property that occurs during the rental period of the facility shall be paid for by the renting group, whether caused by the using group or others. Misuse or abuse of District equipment and/or facilities will result in

the immediate denial for further use. There will be no unauthorized use of District facilities. Entities shall be fined and possible employee reprimand will incur for mis-use or unauthorized use of District facilities.

10) INSURANCE

Any organization using school facilities must provide an original Certificate of Insurance, with Red Oak ISD named as the Certificate Holder, indicating a minimum of \$1,000,000 Combined Single Limit for Bodily Injury and Property Damage Liability coverage. In addition, Red Oak ISD must be named as an additional insured on this policy. The insurance carrier must hold a minimum "A" rating from the A.M. Best Company. However, Red Oak ISD reserves the right to determine the acceptability of a carrier regardless of its rating.

The insurance requirement may be waived by organizations that exist for the improvement of educational opportunity in the District, subject to the approval by the Superintendent or designee.

11) ATTENDANCE BY GENERAL PUBLIC

Any group renting or using a building for an occasion which the general public is eligible to attend shall be held responsible for the treatment of the property by the general public during that time. The group shall, at the discretion of the Superintendent's designee, be required to employ law enforcement officers or District security personnel to help ensure the safety of attending persons as well as to help prevent the destruction of school property. Employment of law enforcement officers or District security personnel does not release the renting or using group from liability for any damages incurred and/or injuries sustained while the building is occupied by the using group.

12) DESIGNATED REPRESENTATIVE

Any group renting or using District facilities shall designate one member of the group to be responsible for the program or activity. This person shall, in turn, be responsible to the building principal and/or the Facilities Director.

13) ROISD CAMPS

Any ROISD staff member conducting a youth camp must be a full-time employee. All registration fees for camps must be made payable to Red Oak ISD. The camp shall not be sponsored by a private organization; if so the rental Classification will be changed. ROISD encourages summer camp programming for athletics and fine arts. The District also offers ROISD Summer Enrichment Camp and Summer School.

14) RENTAL AND PAYMENT TERMS

Checks shall be made payable to the Red Oak ISD and payment of the facility usage charges shall be made at least ten (10) days prior to rental or use of the facility. Rental time shall be charged from the time the lessee enters the building until the lessee leaves the building (set-up time until break-down time).

15) CANCELLATION OF EVENTS

Cancellation by using groups is required two weeks in advance of event in order to receive refund of prepaid fees. Cancellation must be received by the District in writing.

16) EXCEPTIONS AND MODIFICATIONS

ROISD recognizes the need to allow exceptions for, or make modifications to, this policy as it applies to the best interests of the District. As such, the Superintendent or designee reserves the authority to make exceptions or modifications to this policy without notice. The Superintendent, or designee, shall have final discretion regarding rates, rules, scheduling and regulations.
