Meeting Notes

1. Welcome

19/35 committee members present. Meeting began at 4:31pm

2. Superintendent's Update

Mrs. Sanford discussed Dr. Joy Shaw Middle School updates

- Construction is still on schedule to be occupied January 2026
- Construction is still under budget (if we end that way the district can sell the bonds and decrease the district debt)
- Considerations being made on mascot logo (using a color variation for either middle school campus)
- District will begin working on zoning this month
- ROMS current staff have submitted their campus preference and the principals are working through those now
- Committee member questions
 - Are there plans and thoughts as it relates to SEL for the students who will remain at ROMS? We will work on the wording to make sure students understand the rationale for placements and there will be equitable education.
 - Can there be communication of these updates to students and parents? Yes, we can.

3. Curriculum and Instruction Update

Mrs. Bass shared the district's interest in the Teacher Incentive Allotment through TEA. The application for this grant will be submitted in April 2025. The were shown an introduction video about the initiative

4. District Operations Update
