Educator Disability - Definitions

What is disability insurance? Disability insurance protects one of your most valuable assets, your paycheck. This insurance will replace a portion of your income in the event that you become physically unable to work due to sickness or injury for an extended period of time. This type of disability plan is called an educator disability plan and includes both long and short term coverage into one convenient plan.

Pre-Existing Condition Limitations - Please note that all plans will include pre-existing condition limitations that could impact you if you are a first-time enrollee in your employer's disability plan. This includes during your initial new hire enrollment. Please review your plan details to find more information about pre-existing condition limitations.

How do I choose which plan to enroll in during my open enrollment?

1. First choose your elimination period. The elimination period, sometimes referred to as the waiting period, is how long you are disabled and unable to work before your benefit will begin. This will be displayed as 2 numbers such as 0/7, 14/14, 30/30, 60/60, 90/90, etc.

The first number indicates the number of days you must be disabled due to **Injury** and the second number indicates the number of days you must be disabled due to **Sickness**.

When choosing your elimination period, ask yourself, "How long can I go without a paycheck?" Based on the answer to this question, choose your elimination period accordingly.

Important Note- some plans will waive the elimination period if you choose 30/30 or less and you are confined as an inpatient to the hospital for a specific time period. Please review your plan details to see if this feature is available to you.

2. Next choose your benefit amount. This is the maximum amount of money you would receive from the carrier on a monthly basis once your disability claim is approved by the carrier.

When choosing your monthly benefit, ask yourself, "How much money do I need to be able to pay my monthly expenses?" Based on the answer to this question, choose your monthly benefit accordingly.
